“I Don’t Want To Go To School”

If any of these words have become part of your vocabulary please join
Dr. Ellen Platt for some help!

Wednesday May 17th 7-9 PM

PreK/Elementary

Early Childhood Center @ Forest Glen

SEPAC Meeting

Dr. Ellen Platt will be joining us to talk about these concerns for your preschooler and elementary students. Bring your concerns, bring your questions and let’s talk! The agenda isn’t preplanned but will take the course the parents need!

Dr. Ellen M. Platt is a Child, Adolescent, and Adult Psychiatrist practicing in Cedar Grove, NJ. Dr. Platt consults with many school districts in addition to her private practice. She also provides workshops focusing on Child and Adolescent problems from a clinical perspective as they relate to everyday life stresses.
